

## VACATION CARE Program

### Younger (5yo – 8yo)

#### **Funky Flying Fish**

*Sculpture/Textiles*

A fun sculpture lesson, with students using a great range of 3D media including mesh, cane, and pipecleaners, to create a bright groovy hanging fish sculpture.

#### **Shape Colour Pattern**

*Printmaking*

A fun lesson focusing on printmaking. Students work at making two different types of Mono-prints – which are then cut up and incorporated into one finished art piece using pastels and paints. Fun fun fun!

#### **Incredible Insects**

*Painting/Drawing*

A great step by step painting and drawing lesson with students learning all about insects. Using pastels, charcoal and paints children create a vibrant insect masterpiece.

#### **Pinch Pot Pets**

*Clay sculpture*

Students learn about the properties of clay, and learn the basics of clay modeling. They will be shown how to create a quirky little 'pinch pot pet'.

### Older (9yo – 12yo)

#### **Picasso Heads**

*Drawing/Painting*

An excellent painting drawing lesson, using paints, pastels and charcoal. Students learn about Picasso, and create vibrant crazy Picasso style portraits.

#### **Mini Monsters**

*Clay sculpture*

An excellent clay sculpture activity with great imaginative results. Students are taken through a step by step lesson in constructing their very own little monsters.

#### **3D Crazy Critters**

*Sculpture*

Learn about constructing a 3D sculpture using 2D media. A great problem solving activity, incorporating collage, construction and design.

#### **Cartooning**

*Painting Drawing*

Using charcoal, pastels and paints, children can learn the basics of cartooning, and then work at inventing their own unique cartoon character.

### All Ages

#### **Mural Art**

*Painting/Drawing*

Set your own theme for this fun group based activity. Using a range of 2D media including pastels and paint, students will work collaboratively to create a stunning large scale artwork. Some possible themes – monsters, insects, Picasso, faces, under the sea, Jungle, Fairytales....

#### **Wonderful Weaving**

*Sculpture/textiles*

A great activity exploring a variety of 3D media. Students will create a fun and colourful hanging sculpture, while exploring colour, pattern, symmetry.

#### **Clay Masks**

*Clay Sculpture*

A great clay activity for all ages. Students are taken through a step by step lesson, with children creating their own unique mask art piece.

#### **Mixed Media Faces**

*Mixed Media*

A fun activity using a broad range of materials and equipment. Students create their own bold, dynamic creative face masterpiece. Great for display!
